The Redford Township Unicycle Club, Inc. began in 1975 as a group of neighborhood teenagers who enjoyed riding unicycles and has turned into an intergenerational organization of more than 40 families. Our mission is to create an interest in the healthful sport of unicycling and promote good sportsmanship. We do this by offering beginning unicycling lessons. Information for the 2019 class is below.

WHEN: Saturdays - 9:00 am to 10:00 am
8 week session, January 12, 19, 26,
February 2, 9, 23, March 2, 9, 2019
Pre-registration is recommended.

WHERE:
-- Tipton Academy Gym, 29205 Florence St.,
Garden City, MI 48135

COST: \$45.00 for the first family member, and \$25.00 for each additional family member of the same household. This cost covers 8 one-hour lessons, graduation brunch, and use of a unicycle during class if the rider doesn't have his/her own.

Classes will end with a 3-hour graduation, brunch and practice with RTUC on March 9. Each Saturday the regular practice of the Redford Township Unicycle Club immediately follows the beginning class. Class members and their families are invited to stay and observe.

ADDITIONAL IMPORTANT INFORMATION: If you are planning on the purchase of a unicycle, please talk to an RTUC member for some advice. The construction of some unicycles makes them more difficult to ride. See the Vendor list on the 'LINKS' page of www.RTUC.org.

Why Unicycle?

- Unicycling builds confidence.
- It's a great conversation starter!
- It's an excellent physical workout, especially for your legs!
- It's cheap transportation.
- You can eat as you ride, try that on a bike.
- It's relaxing and relieves stress.
- You get lots of attention (and nutty comments).
- You only have to pump up one tire.
